Summit Capital Advises Canstar Restorations on Sale to Premium Restoration

Summit Capital acted as exclusive sell-side financial advisor on the transaction.

VANCOUVER, British Columbia - October 13, 2026 - Summit Capital Advisors is pleased to announce that it acted as sell-side financial advisor to Canstar Restorations in connection with the completed sale of the business to Premium Restoration Ltd. Financial terms were not disclosed.

A leading Western Canadian restoration platform

Canstar is a property restoration and remediation platform serving British Columbia, Alberta and Saskatchewan. Its capabilities include emergency response, water and storm damage restoration, fire-related work, hazardous materials removal and mould remediation.

Premium Restoration is a Canadian-owned property restoration company founded in 2006 and headquartered in Delta, British Columbia. The transaction brings together complementary operating footprints and restoration capabilities to create a leading Western Canadian restoration platform.
